Dear Parents/Guardians:

At Ladner Elementary, we are committed to ensuring all of our students receive the healthy start they need in order to be successful learners. We know some families have times when mornings are complicated, and breakfast is missed. This service is provided to help make mornings a little easier for families in need and help students better concentrate on learning with a healthy start.

Starting **Tuesday, October 1**, we will begin our Breakfast Club program, which will operate every school morning from 8:00 am-8:40 am, in the Nest. Students will enter through the school's main entrance.

A nutritious breakfast will be provided based on Canada's Food Guide, which **may** include:

- 2% milk
- Yogurt or cheese
- Healthy cereal
- Pancakes
- Fruit

The breakfast club receives partial funding from the Delta School District; however, any contribution, either financial or in kind, would be greatly appreciated.

If you feel your family could benefit from this service, please fill in the bottom of this form and return it to the office. If you have any questions, please contact the school.

Thank you,

Ms. S. Matheson
Principal/Directrice
