École Élémentaire Ladner Elementary School

Welcome Back

We look forward to welcoming all of our students back into the school on Monday, January 10th, 2022. It has been a quiet but busy week in the building. Please be sure to check your emails regularly. If we need to contact our families regarding any shifts in the school day, this will be done through email, most likely in the morning.

Health & Safety

We will be implementing our enhanced health and safety measures on Monday. Some of these measures include:

- staggered entries and exits for students & observing space when travelling in the halls
- reinforcing the appropriate wearing of masks throughout the school day
- sanitizing or washing hands upon classroom entry, before & after eating
- maximizing classroom space and avoiding students facing one another as much as possible
- minimizing how many students are in the washroom at one time (2 cone system)
