Au Revoir LE

Sometimes it's the most unexpected things in life that have the greatest impact. While planning Sports Day this year we realized that some of our new teachers and younger students have never experienced a Sports Day! Walking toward the field on this day, and seeing all of the students and families, absolutely warmed my heart! It was perfect and I hadn't realized how much I missed the normalcy of this day until then. It also struck me that this would be my final Sports Day at LE. I tried to really soak it all in – chatted with parents, had fun with the kids and watched the events unfold. I have always felt so welcomed at LE. Your kindness, willingness to talk things through or share a laugh have always been appreciated. As a school community you come together to get things done and look out for one another along the way. I will always hold tight to my LE community. Thank you ~ Ms Carleton

Grade 7s to Evans Lake
