Principal's Message

Happy New Year Ladner families! We hope you all had a wonderful, joyous holiday break. It was quite an eventful couple of weeks with the cold snap and travel chaos, but I hope any of that stress is now behind us and we can focus on moving forward with a brand new year! With that said, I encourage families to visit the Ministry of Education's [website](#) to get to know the curriculum and what your child will be learning at school! Term 2 is fast and furious, and before you know it, Spring Break will be on the horizon. We are looking forward to a great term of learning and staying curious!

Early French Immersion Kindergarten Registration

There are two French Immersion programs offered in the Delta School District: EARLY French Immersion (Kindergarten-Grade 12), and LATE French Immersion (Grade 6-Grade 12). At Ladner Elementary, we offer EARLY FRENCH IMMERSION. Here are some other important reminders and dates for our program:

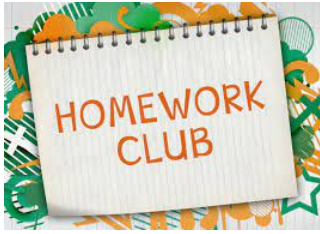

An on-line application form needs to be completed first and submitted by the deadline. This demonstrates a commitment by the families to register their child in the designated program IF their child is accepted, and to understand that there is a commitment for the child to stay in the French Immersion program until Grade 12. Applications will be **available January 4th, 2023 at 8am on the School District Website <https://www.deltasd.bc.ca/french-immersion-application> . Application deadline will be 4pm, Sunday, January 22nd, 2023.**

Parents/Guardians of Early French Immersion applicants will be notified by Wednesday, February 8th, 2023 if they have been accepted to Early French Immersion, and with what school they should register.

Kindergarten Registration

Kindergarten registration for the 2023/2024 school year will be held from February 13-24, 2023. Please register ONLINE, and make sure you have all required information and documents ready. Incomplete information will delay the registration process. Registration will open on the [Delta School District website](#) in February.

Homework Club

Just a reminder that any students from grades 4-7 wishing to have some schoolwork/homework help are welcome to come to Homework Club in the library every Wednesday from 8am-8:30am. Mr. Gregg (Learning Support Teacher) will be available to offer any extra help! **Please note: Students who come must bring work with them.**

Lost and Found

Many items such as sweatshirts and jackets need a home! We will continue to place our racks of lost items out by the office entrance, or by the undercover area at the back of the school. If you see the rack, make sure to take a peek! It may belong to you!

Getting Ready for Track - Pre-Conditioning Training!

In preparation for the upcoming Track and Field season this spring, students from grades 3-7 who are interested will be able to join a pre-season training program at the school. Although grade 3 students will not be participating in the actual Track and Field event until next year, they are still invited to join the training. This program will take place two mornings a week (days to be determined) where students will work on warm-up exercises, strength and conditioning exercises as well as agility exercises. There will be some running as long as the weather cooperates. This is not mandatory for track and field participation, however, it does provide students with some extra conditioning practice! More information to come soon at the school.
